

Certificate of Warranty

Impacta™ Underlayments will remain responsible for the performance/consistent quality as long as they have been installed according to the written instructions supplied by Sound Seal® and in situations where the specific Impacta™ model is meant to be installed. Sound Seal® warrants that spillage of casual water onto a finished floor with Redupax® installed will have no effect on the performance of the Redupax®. Any liability for sub-sequential damage is not accepted. The sound reducing capabilities of Impacta™ underlayments have been tested under laboratory conditions and therefore may differ in other situations.
